Location:

Science activities are conducted in Arakoon National Park.

Gaol Activities are conducted in Trial Bay Gaol.

These activities provide an in depth learning experience.

Number of students

One Discovery Ranger and one assisting teacher per thirty students for safety reasons.

Other activities

We are happy to design an activity to meet your teaching needs relating to the syllabus/curriculum.

Cost: Rent a Discovery Ranger at Arakoon National Park for 2.5 hours (Contact us for pricing)

(Please note most schools are GST exempt and receive an ATO reimbursement).

To reduce costs, we suggest Activities can be repeated for a second class group whilst teachers lead a walk around the National Park (suggestions and map provided on request).

**Entrance Fees for Trial Bay Gaol

Activities conducted inside Trial Bay Gaol may also incur an entrance fee.

If these activities are conducted as part of a school's camp program then these entrance fees are waived.

(Price will be discussed in conjunction with organized program.)

We are happy to design a program to suit your needs. Please contact me with any queries:
